

Aisha Khan

Email: aisha.khan@example.com

Phone: (321) 654-7890

Summary:

Machine Learning Engineer with a strong background in statistical modeling, feature engineering, and real-time prediction systems.

Experience:

Machine Learning Engineer, DataNova Inc., March 2020 - Present

- Designed and deployed predictive models for customer churn and recommendation.
- Integrated ML APIs with microservices.
- Automated data preprocessing pipelines using Airflow.

Education:

B.Tech in Computer Engineering, IIT Bombay, Graduated: May 2019

Skills:

Supervised & Unsupervised Learning, Feature Engineering, Scikit-learn, XGBoost, Airflow, MLflow, SQL, Pandas
